PLOT PLAN

This is to certify that a soil investigation and [illegible] by the Mecklenburg County Department of Environmental Health on the [illegible] was conducted on that portion of the lot as indicated on the plot plan.

Provisionally Suitable

The [illegible] rate determined by the investigation [illegible] said lot is approved for the installation of an individual septic tank with [illegible] subsurface soil absorption effluent discharge subject to the following requirements:

1. A [illegible] by the Mecklenburg County Department of Environmental Health [illegible] wastewater treatment system on the said lot.
2. The [illegible] septic tank and [illegible] approved by the Mecklenburg County Department of Environmental Health [illegible] as indicated above, and on the plot plan [illegible].
3. [illegible] system installation in the above pit.
4. This approval is [illegible] encountered in the lot which in the opinion of the Mecklenburg County Department [illegible] not be treated as acceptable for system installation or [illegible] installation.

This approval is granted based on the laws of [illegible] Carolina and the rules and regulations of the North Carolina Department of Human [illegible] Health Services and the Mecklenburg County Health Commission which were in effect [illegible] and void if at any time in the future prior to completion of the system, these laws and regulations are changed such that this approval would not have been granted had the new revised laws, rules and regulations been in effect on the issue date.

FOR REGISTRATION SEPTIC TANK AGREEMENT

'78 MAY 9 AM 11 49

CHARLES E. CROWDER
REGISTER OF DEEDS
MECKLENBURG CO., N.C.

The undersigned, Larry I Haigler, Sr. , owner of property located at Sam Newell Road (hereinafter "the site") and described in instrument recorded in Book 3873 at Page 120 , Mecklenburg County Registry, hereby acknowledges that he applied to the Department of Environmental Health for a permit to install a septic tank sewage disposal system on the site; the Department evaluated the site for suitability for such a system in accord with the regulations promulgated by the North Carolina Commission for Health Services as 10 NCAC 10A .1900 et seq; that the Department classified the site as Unsuitable and an appropriate permit was issued by the Department.

The undersigned further acknowledges that the proper design, construction and maintenance of such septic tank system is his responsibility and that neither the Department nor its official employees, or agents warrant or guarantee that the said system installed pursuant to the permit issued by the Department will function in a satisfactory manner for any given period of time, or that the Department, its officials, employees or agents assume any liability for damages, consequential or direct, which are caused, or which may be caused, by a malfunction of such system.

This document shall be placed on the public records of the Register of Deeds of Mecklenburg County and indexed therein under the Grantor Index in the names or names of the undersigned, and the foregoing acknowledgements shall henceforth be binding on all persons claiming any right, title, or interest in the site.

And the undersigned further agrees for himself, his heirs and assigns, that he shall indemnify and hold harmless the Department and its successors, as well as Mecklenburg County, for any damages or other claims of any person or persons whatsoever arising out of the installation, operation, or failure, of said septic tank system.

And the undersigned further agrees for his heirs and assigns that, in the event any septic tank system installed under authority of the aforesaid permit fails to perform adequately, in any respect, he will take whatever measures are required to correct same; or if such is impossible he will discontinue use of said system immediately.

Use of the singular masculine pronoun forms herein shall be deemed to also include the plural and feminine forms as the context may require.

This 28 day of APRIL , 1978.

MAP BOOK NO. _____ PAGE NO _____

The above specified lot is approved by the Mecklenburg County Department of Environmental Health for the installation of an individual septic tank system with subsurface, soil absorption, effluent discharge based on the soil investigation, on an on-site inspection of the said lot; and upon the information supplied in the "Application for an Installation, Construction, Alteration, and/or Repair Permit", number 12803 This approval is subject to the following terms and conditions:

* 1. That the nitrification field be installed, constructed, altered and/or repaired in the same area where the soil investigation was run. Lift station may be required.

2. That an "Installation, Construction, Alteration, and/or Repair Permit" be issued and in full force and effect when the system is installed, constructed, altred, and/or repaired and that the system be installed in accordance with same.

This approval may be revoked and the building inspection department requested to revoke any building permit(s) which have been issued to authorize construction on the said lot if at any time it is determined that any information contained in the "Application for an Installation, Construction, Alteration, and/or Repair Permit" is not correct or is untrue or that the septic-tank system is not being installed, constructed, altered and/or repaired in accordance with a valid Installation, Construction, Alteration, and/or Repair Permit.
