SUBDIVISION: LOT NO #10 BLOCK NO

PLOT PLAN

This is to certify that a soil investigation was made by the Mecklenburg County Department of Environmental Health. The soil investigation was conducted on that portion of the lot indicated. The said lot is approved **Provisionally Suitable**. The permeability rate determined for the [illegible] system with subsurface soil absorption effluent discharge [illegible]

[illegible] the Mecklenburg County Department [illegible] wastewater treatment [illegible]

[illegible] by the Mecklenburg [illegible] obtained above and [illegible]

[illegible] for system installation [illegible]

[illegible] performed on the lot and indicated as acceptable [illegible] system

This approval is granted based on the laws of the State of North Carolina and the rules and regulations of the North Carolina Department of Human Resources, Division of Health Services and the Mecklenburg County Health Commission which were in effect on the date of issuance and is void if at any time in the future, prior to completion of the system, these laws, rules and regulations are changed such that this approval would not have been granted had the new or revised laws, rules, and regulations been in effect on the issue date.
