Hi Manuela,

Please see the signed affidavit attached.

Please let me know if you have any questions.

Also, I need to submit for an inspection for the footing. Can you let me know when the hold is lifted.

Thanks.
Toni

Can someone email her the copy of the affidavit for the use existing. She is going to sign it and take the liability instead of having to apply for another use existing. Once she emails it back we can add it to the onbase file and release her hold
