NAME OF OWNER Jenkins, Ronald George

ADDRESS OF OWNER 1334 Woodland Dr. Charlotte, NC 28205

LOCATION OF LOT Ben Rea Drive Lot 20 Block #1 Subdivision - Providence Franklin Park

At your request and pursuant to Section. 1900 of the North Carolina Administrative Code, Title 10, Department of Human Resources, Chapter 10, Health Services, Subchapter 10A, a site evaluation has been made for an on premises ground absorption sewage disposal system on the property designated above and the following conditions were found:
Soil Structure Massive
Soil Permeability Unsuitable
Site Classification Unsuitable

Section 10 of the North Carolina Administrative Code 10A, .1910 of these regulations states "Sites originally classified as unsuitable may be used for soil absorption disposal systems, provided engineering, hydrogeologic, and soils studies indicate to the local agency that a suitable alternate system can reasonably be expected to function satisfactorily.

Section 10, North Carolina Administrative Code 10A, .1916 states that "The design, construction, and maintenance of ground absorption sewage systems, whether septic tank systems or alternate systems shall be the responsibility of the owner, developer, installer, and user of the system as applicable in the circumstances."

We would also advise you that according to Regulation 10, North Carolina Administrative Code 10A, . 1916(b), "Actions of representatives of state or local agencies engaged in the evaluation and determination of measures required to effect compliance with the provisions of this section shall in no way be taken as a guarantee that sewage disposal systems approved and permitted will function in a satisfactory manner for any given period of time or that such employees assume any liability for damages, consequential or direct, which are caused or which may be caused, by a malfunction of such system.

These regulations became effective July 1, 1977. Since that time the second sentence of Section .1910(c) has been found to be nugatory. For this reason, if you desire to file for permission to install an "alternate" system you should present this office with your proposals in the form of plans and specifications. These would be reviewed and if it is found that the system may reasonably be expected to function satisfactorily approval may be given on the execution by you of a "Septic Tank Agreement Form" available in this office.

OWNER'S COPY

1) Check block (1) if the application is for a permit to install or construct a new system.

2) Check block 2) if the application is for a permit to alter or repair an existing system.

3) Draw in and shade the lot showing all [illegible] roads adjoining the property and indicate which direction is north. Accurately diagram the house which is located or is to be located on the lot. Show the location or proposed location of all water lines and wells. If application is made to alter or repair an existing system also indicate the location of the existing system.

4) Indicate the number of bedrooms in the building. Number of rooms which are to be used as bedrooms or might later be furnished or converted to bedroom use and any contemplated additional bedrooms to be constructed in the future.

5) If building is to be used for business purposes, indicate the maximum number of employees to be employed and attach a separate sheet giving a brief description of the nature and purpose of the business.

6) Indicate whether a washing machine has been or ever will be installed in the building

7) Indicate whether a garbage disposal has been or ever will be installed in the building

8) Indicate whether a dishwasher has been or ever will be installed in the building.

9) Indicate what kind of water supply is serving or will serve the building.

Check A if the water supply for the building will be a well which is located on the lot described herein and if the building will be occupied by only one family or one business establishment and will not be a public place, a place of public gathering, or business which processes or manufactures any product which is used as or used in a food product.

Check B is the water supply for the building will be furnished by a City, County, Town or other governmental authority.

Check one of the blanks under C if the water supply for the building will be furnished by a private owned system other than an individual well as specified under 9A. Check 1. if the water source of the community system is a well or wells. Check 2. if the water source of the community distribution system is a city, county, town, or other governmental authority.

10) Indicate whether the building is located within 200 feet of a public (city or county) sewer line or within 200 feet of a privately owned sewer line.

11) If financing is to be provided by an FHA loan, indicate the FHA case number.

12) If financing is to be provided by a VA loan, indicate the VA case number.

13) Fill in full name of owner.

14) Fill in address of owner

15) Self explanatory.

16) Indicate location of property on which system is to be installed, constructed, altered, or repaired. Give street address, county road number, etc.

17) Name of subdivision (if applicable) in which the lot on which the system is to be built is located or name shown on recorded plat plan showing said lot. Lot and block number of lot on which application is being made to install or repair system. Book and page number where map is recorded in the Mecklenburg County Register of Deeds Office. This information is usually contained in the deed description.

18) Book and page number where deed to current owner is recorded in the Mecklenburg County Register of Deeds Office (see deed).

19) Indicate whether a soil investigation has been run by the Mecklenburg County Department of Environmental Health and if so, the approximate date it was run.

20) If a soil investigation was run on the lot after Sept. 1, 1970, a soil investigation report was sent to the owner indicating the results of the test. The number in the upper right hand corner of that report should be entered here.

This application must be signed by the owner of the property or by the President or Vice-President or other proper official of a corporation if the property is owned by a corporation and the corporate seal affixed. The signature on an agent of the owner will be accepted only if accompanied by a specific letter of authorization or a recorded power of attorney authorizing same.

The owner is to tear off and retain the last copy of this application (marked Owner's Copy) for his records. The original and all other copies should be sent to the Mecklenburg County Department of Environmental Health, 1200 Blythe Boulevard, Charlotte, North Carolina 28203.
